

## SONOSAX SX-AD8+

### In this issue:

In memoriam Zenon Schoepe **p.1**  
**SONOSAX** at the AES in Paris  
Congratulation to Baylon Fonseca

Fernand Melgar about the **SX-R4+** **p.2**

The Sonosax team was deeply saddened about the sudden death of Mr Zenon Schoepe about a month ago.

All our thoughts to his family and all his colleagues at Resolution. With his vision, Zenon made Resolution an outstanding magazine, renowned and respected by the entire pro audio industry.

It was every time an indescribable pleasure to meet him during exhibitions, even briefly as he was always rushing from an appointment to the next.

Zenon we will miss you during the next AES Convention, but we will remember your smile, your wisdom and your solid sense of humour.

### SONOSAX will be present at the 140th AES Convention in Paris

We are pleased to exhibit again at the next AES Convention, June 4-7 at Paris' Palais des Congrès. You are more than welcome to visit us on our booth #25

We will present our full range of products including our new **SONOSAX +** series as well as our two ways active loudspeakers **SONOSAX ADN-2A**

### Congratulation to Baylon Fonseca for his award for Excellence in Recording Arts

Baylon Fonseca, production sound mixer and sound designer in India has grown an impressive filmography; he was laureate at the 10th Indian Recording Arts Academy Awards for Excellence in Recording Art on the last Zoya Akhtar's movie "Dil Dhadakne Do".

« I am using a SONOSAX SX ST/8D mixer, which I love. I feel that the Sonosax mixer, along with my wireless equipments, is the powerhouse of my arsenal. I can't work without them, and I wouldn't trade either of them for anything in the world. »

Thank you Baylon for using the SX-ST8D mixer and for the trust you place in our products and our company

# SONOSAX

« The **SONOSAX SX-R4+** is the Swiss Army knife of portable recorders. This little Swiss-made wonder concocted by Sonosax team meets all my requirements even when shooting in solo. »

« Its ability to connect a MS microphone and 4 wirelesses with direct control of the channels and thanks to its intuitive user interface, recording takes with a sound quality the closest to reality while filming over the shoulder becomes a breeze. » Fernand Melgar, film maker/director

*Fernand Melgar is an autodidact filmmaker, awarded many time for his remarkable documentaries, and co-founder of Climage association: more at: <http://climage.ch/en/filmmakers/>*
